### Sunday, August 27 - Kick Off Sunday

Come and see all the offerings of our church Sunday School and find the right class for you and your family. Each class will have a table and representative to talk with beginning at **10:00 a.m. in Fellowship Hall**. You will also have an opportunity to see the new flooring recently installed in all the 1st floor classrooms. For those of you who are interested in joining the choir and other organizations of the church, there will be representatives available to answer questions. Refreshments will be served. Please join us!

### Church Apartment Open House this Sunday

The church apartment has recently been spruced up. **Stop by this Sunday morning between 10:00 a.m. - 11:00 a.m. to take a look.** The apartment is located on the 2nd level on the South East corner (Northshore Drive & 7th Ave NE).

Special thanks to Joe Emerson and the Property Committee for overseeing our facilities and making much needed repairs and improvements. The recent upgrades in the apartment were done at no cost to the church.

Stop by and take a look.

### American Stage Summer Camp at FPC

This summer, American Stage completed their 6th year of summer camp at FPC.

"At American Stage, we believe that seeing theatre and participating in theatre-making empowers young people to grow creatively, intellectually, and emotionally through collaborative, theatrical storytelling. Powerful storytelling is transformative, making us bolder, wiser, and more compassionate on stage and in life."

[Read more](#) about this outstanding program that takes place each summer at FPC. This is collaboration at its best and an incredible gift to the youth in Tampa Bay.

## Donate your eclipse glasses

Have you been trying to figure out what to do with those stylish eclipse glasses that you no longer have any use for? Doctors Without Borders would love to have them to distribute in Africa in 2019 when they experience an eclipse.

We will have a box in the sanctuary and in fellowship hall where you can drop your used glasses.

If you have any questions, contact Lilian Harris at 727-527-7458.
