### Celebration of Reformation and All Saints

This Sunday we celebrate both Reformation Sunday and All Saints' Day.

#### The Reformation

500 years ago marked the beginning of a movement aimed at reforming the beliefs and practices of the Roman Catholic Church. On October 31, 1517, Luther defiantly nailed a copy of his 95 Theses to the door of the Wittenberg Castle Church door, thus beginning the Protestant Reformation – a movement that emphasized individual relationships with God and salvation through faith alone.

#### All Saints Day

All Saints' Day is a celebration of all Christian saints. Here at FPC, we remember the lives of those saints who have gone before us, especially those members who have joined the Church Triumphant in the past year.

## Mission Outreach at FPC - Did you know?

The **New Hope Clinic in Honduras** serves about 700 patients each month. Due to extreme poverty conditions, 25% are not able to pay. Our Honduras team visits each summer to provide invaluable help. Your dollars support vital care to these precious people. Just one example of living out our mission at FPC.

### Operation Shoe Box

Please return your filled (unwrapped, unsealed) shoe boxes to the church between Oct. 29 and Nov. 5. Don't forget to include the \$9 postage. Thank you to our youth who have worked so hard on this project.

### St. Petersburg Free Clinic

Many at FPC volunteer and/or provide financial support for the Free Clinic. Join us next Wednesday, Nov 1st, at Wednesday Night Live (5:30 dinner; 6:00 presentation) to hear about the latest developments at the Free Clinic and see your mission outreach in action. Please join us!
