Generosity 2018

157 of you have pledged \$619,239 to enable the work of our church in 2018. Of the 157 pledges received, 18 are new and 45 increased pledges over last year. Thank you for your generosity!

To fully support our ministries next year, we need to raise \$409,761 more. If you haven't already pledged your support, will you consider doing so today?

Christmas is NOT EASY. It never was! From Herod to Santa Claus, where is Jesus in our Christmas culture?

Generosity takes many forms at FPC

Faith Community Nursing - Please take advantage of the blood pressure screening that takes place several times a month at all of the services. The nurses doing this screening are part of Faith Community Nursing (FCN) - a partnership with BayCare Health System and its member hospitals and is a volunteer program. The mission of Faith Community Nursing in our church family is to promote the whole person health of the faith community through education, preventative care and increased awareness of community resources.

The members of the Faith Community Nursing Team at First Presbyterian Church are: Corinna Harshaw, Barbara Holden, Jarryd Lunger and Joan Lamb.

Remember to bring Food Donations each Sunday for the St. Pete Free Clinic.

Helping our neighbors in this season of Hope, Peace, Joy, Love and Extravagant Generosity.
