February 14 - March 21

A 6-week series on "Getting to know the Great I AM!" Presented by Pastor Dawn.

What does God's name tell us about who God is and who we are as children of the Holy One? You are invited to join in a six week

adventure in a coordinated study focused on the I AM statements found in the Bible. The Lord's I AM sayings begin with God's self-revelation to Moses in the burning bush and continue through in the I Am statements found in the Gospel of John. In these statements Jesus gives us insight into who He is and who we are through metaphors such as "I am the bread of life" and "I am the light of the world."
