... and how can you help?

Each year, congregations in the PC(USA) pay a fixed amount per member (i.e., per capita) to support the mission and ministry of greater PC(USA) church. This year, that per capita amount is \$30.98 per church member (\$61.96 per couple).

What is Per Capita?

You can help our budget greatly if you consider writing an additional check to First Presbyterian Church to cover your per capita cost. Please notate on the memo line that it is for per capita. You can also use the online giving feature under MyFPC on the [FPC website](#).
