Please include this team in your daily prayers as they begin their journey early next Sunday morning.

Dear God,

Place your hand of protection over our mission team as they travel to Honduras on Sunday, June 10th.

We Pray for all the wonderful people who have and continue to prepare for our team's arrival.

We Pray for our team as they prepare countless duffle bags full of health kits and medical supplies to bring to the people of all ages in Honduras.

We Pray that our team may be a witness to the Honduran people as they communicate Christ's love through words and actions. And we pray for the Honduran men and women translators who will assist.

We Pray for our team during the week as they go to the various Honduran communities to serve. Give them guidance and strength.

We Pray for God's guidance to the team in all that they do throughout the week.

We Pray for safe travel from Tampa to Miami to Tegucigalpa, Honduras then on the roads to New Hope Clinic and back again.

We Pray for the safe return of our mission team that they brought help, relief and the love of Christ to all whom they encountered.

*May the Lord Bless You (El Señor te)
And Protect You (bendiga y te guarde)
And Give you Peace! (Y te dé paz)*
