Faith & Fiction

Faith & Fiction is a long standing Book Club at First Presbyterian Church. We gather on the first Monday of each month. **Note, the October 1st meeting will be in the Chapel.** After that, the meetings are in room N123, from 7:30 - 8:30 p.m., from October to April to discuss a book that we have all read within the past month or so. Our discussions are informal and are lead by one of our members. We'd love to have you join us, -- and you do not have to be a member -- just someone who loves a good read! So come join us, -- we welcome you and your thoughts. Our first book for this coming season is Red Notice, a memoir by Bill Browder. This is a very readable and interesting story of Bill's experiences in the emerging financial markets of the Soviet Union in the 1990's. It is filled with intrigue, murder and a fight for justice. Interestingly enough, parts of this story are still in our news today! All our books can be found in the public library system and are also available on Amazon. Al May will lead this discussion. Start reading now so you will be ready for our October 1st meeting!

Blessing of the Animals

When: Saturday, September 29th

“Six to Mix”

We are putting together small groups of FPC adults ages 18 to 100-plus for once/month dinners for six.

This One's for You! Are you hungry for more Christian fellowship, in a setting that is welcoming and easy, casual and face-to-face? Special needs will be taken care of; we are ALL special! Each group will be made up of couples or singles. Groups will meet together four or five times

from November to March, at a time your group decides on. Each time one of you will be the host and will provide the main course. The remaining guests will volunteer to bring appetizer, salad/vegetable, dessert, and drinks.

SIX TO MIX Make your reservations now. This is not a Bible study or a Sunday school class, but rather a gathering of amazing people — you!

Adam Higman, Food Network Star, and FPC Youth Present "Chopped"

Last Sunday night, five teams of FPC youth were challenged by Adam Higman to create an edible entrée and dessert from a basket of mixed items. It was not easy but they had a wonderful time. One of the judges, however, almost lost his voice due to an overload of salt in the soup! Everyone agreed it was one of the best youth events ever. Thank you, Adam!

Welcome to the new members who joined FPC last Sunday!
